Unit Name is the branch or conference name listed in either the Family History Library catalog or the Church History Library catalog. The name listed in parenthesis is the name of the hamlet or village as it is on maps today, if it is different.

FHL Film Number refers to the microfilm number where the branch records can be located in the Family History Library

FHL Dates are the membership record's dates of coverage listed in the Family History Library catalog

*Manuscript History* Dates refers to the dates for the branch histories listed in the *Manuscript History*

CHL Catalog Number is the call number for the particular branch history found at the Church History Library
