

ACKNOWLEDGMENTS

WE ARE INDEBTED TO OUR SPOUSES, HOLLY M. BOYD AND GEORGE D. DURRANT, FOR THEIR support, keen intellect, and perceptive judgment. They contributed immeasurably to this project, serving as researchers, editors, critics, coaches, and occasional paleographers. Undergraduate and graduate assistants also shaped the substance and structure of the volume; we especially thank Ruth Covington and Clinton Brimhall.

Karen Lynn Davidson provided insightful comments on an early version of this work. Davidson's work with Jill Mulvay Derr on Eliza R. Snow's poetry was vital to this undertaking; their impeccably researched tome, *Eliza R. Snow: The Complete Poetry*, provided documentation and ideas for this volume. We are also grateful to Neal E. Lambert and Zachary M. Hutchins—both consummate literary scholars—for their helpful suggestions. We thank Steven C. Harper and Eric D.

Huntsman for their expertise in editing earlier writings. Connie Boyd, William Boyd, and Nathan Neilson caught awkward phrases and improved the overall flow and tone of our editorial introductions. This volume would never have reached fruition without the generous support of the BYU Religious Studies Center and Deseret Book. As the volume went through sundry iterations, R. Devan Jensen was patient and persistent. Thomas A. Wayment, Dana M. Pike, Brent R. Nordgren, Joany Pinegar, Carmen Cole, and others at Religious Studies Center deserve our deepest gratitude for their faith and belief in the project.

We thank the research staff at the Harold B. Lee Library and the Museum of Art at Brigham Young University as well as the staff at the J. Willard Marriott Library at the University of Utah, the Church History Library in Salt Lake City, and the Huntington Library in San Marino, California. Each institution opened their doors and made available resources for this undertaking. We also thank the Office of Research and Creative Activities and the Department of Church History and Doctrine at BYU for their financial support.

Given all of the professional and scholarly assistance we received, our readers should be holding a perfectly edited book. Yet it is far from perfect, and we alone are responsible for any shortcomings. Perhaps our stumbles will inspire greater scholars to produce more thorough, insightful, and comprehensive collections of early Latter-day Saint poetry.

Last, and most important, we thank the early Latter-day Saint poets for these psalms. Their verses and legacies of faith deserve a finer memorial than just one volume, but we take heart in knowing that their poetry will now reach a new audience of appreciative readers.
