

# APPENDIX 3

## WOMEN WHOSE HUSBANDS SERVED MISSIONS

Sometimes a husband's mission was not mentioned in the wife's biographical sketch, meaning the author possibly did not think it applied to her life. When it was known that a husband served a mission, this information was included here; there may be other husbands who also served missions. An asterisk indicates a mission served before coming to Arizona.

Name	Date married	Date of mission	Place of mission	Duration	Other information
Barbara Phelps Allen	1895	1898	Southern States	2 years	milked 8–10 cows and sewed
Barbara Phelps Allen	1895	1907	Eastern States	c. 1 year
