

when the Church was legalized again, he did everything in his power to push the Church in that direction. The response of the Czech Saints at the time of his death encompassed the intensity of love and respect that the Czechoslovakian members had for their compassionate leader. Wallace Toronto's thirty-year contribution to the Czechoslovak Mission was incredible, to say the least. His son David understood that if someone asked his dad what he had accomplished, Wally would simply reply, "I was just doing what I was asked to do." Bob added, "And, in fact, that's exactly what he did."³¹
