TYPOGRAPHICAL ASSOCIATION OF DESERET
PROCLAMATION
BY THE GOVERNOR.

CITIZENS OF UTAH—

We are invaded by a hostile force who are evidently assailing us to accomplish our overthrow and destruction.

For the last twenty-five years we have treated officials of the Government, from Constables and Justices to Judges, Governors, and Presidents, only to be assailed, held in derision, insulted and betrayed. Our houses have been plundered and burned, our fields laid waste, our principal men banished while under the pledge of faith of the government for their safety, and our families driven from their homes to find that shelter in the barren wilderness and that protection among hostile savages which were denied them in the boasted abodes of Christianity and civilization.

The Constitution of our common country guarantees unto us all that we do now or have ever claimed.

If the Constitutional rights which pertain unto us as American citizens were extended to Utah, according to the spirit and meaning thereof, and fairly and impartially administered, it is all that we could ask, all that we have ever asked.

Our opponents have availed themselves of prejudice existing against us because of our religious faith, to send out a formidable host to accomplish our destruction. We have had no privilege, no opportunity of defending ourselves from the false, foul, and unjust aspersions against us before the nation. The Government has not condescended to cause an investigating committee or other person to be sent to inquire into and ascertain the truth, as is customary in such cases.

We know these aspersions to be false, but that avails us nothing. We are condemned unheard and forced to an issue with an armed, mercenary mob, which has been sent against us at the instigation of anonymous letter writers, to further the base slanderous falsehoods which they have given to the public; of corrupt officials who have brought false accusation against us to screen themselves in their own infamy; and of hireling priests and brooding editors who prostitute the truth for filthy lucre's sake.

The loss which has been thus forced upon us compels us to resort to the great first law of self preservation and stand in our own defense, a right guaranteed unto us by the genius of the institutions of our country, and upon which the Government is based.

Our duty to ourselves, to our families, requires us not to to tamely submit to be driven and slain, without an attempt to preserve ourselves. Our duty to our country, our holy religion, our God, to freedom and liberty, requires that we should not quietly stand still and see these fathers falling around us, who are calculated to enslave and bring us in subjection to an unlawful military despotism, such as can only originate in a country of Constitutional law, from usurpation, tyranny, and oppression.

This is, therefore,

1st.—To forbid, in the name of the People of the United States in the Territory of Utah, all armed forces, of every description, from coming into this Territory under any pretense whatever.

2nd.—That all the forces in said Territory hold themselves in readiness to march, at a moment's notice, to repel any and all such threatened invasion.

3rd.—Martial law is hereby declared to exist in this Territory, from and after the publication of this Proclamation; and no person shall be allowed to pass or re-pass into, or through, or from this Territory without a permit from the proper officer.

Given under my hand and seal at Great Salt Lake City, Territory of Utah, this fifth day of August, A. D. eighteen hundred and fifty-seven and of the Independence of the United States of America the eighty-second.

BRIGHAM YOUNG.
